

Proverbs 16 v 9

We can make our plans, but the LORD determines our steps. (New Living Translation)

Thanks so much for your prayers and support to us as a family! We are so thankful for this and grateful to be involved in what God is doing here. Senegal is full of opportunities and yet over the years there has been relatively little response to the gospel. Pray for God to move in the hearts of the people here and that He would bring many to come to know and follow Jesus.

Family News

We are coming to the end of the school year and are very thankful that for the most part schools have been able to stay open. The kids love school and are doing really well. Daniel has settled much better at his French nursery this term, understands most instructions and is beginning to interact and speak more. He has started speaking bits and pieces of French at home or uses both languages in the same sentence! Micah is doing well and seems happy just playing around in the midst of everything! In our last newsletter we asked for prayer for good health and are thankful that over the last few months we have all stayed relatively healthy! Praise God!

Summer Plans

We are planning to go to Cleveland for the summer. Our International Headquarters is in Cleveland and we will have meetings with Ambassadors leadership but will also extend our stay to have a bit of a break and to give time for work to be done on our house here in Senegal. With all the flooding last year there was structural damage done and walls/ceilings that need to be reinforced.

- Pray that the work on the house will be able to be done before we get back!
- Praise God that we have housing and a car for most of the time but pray that God would provide housing for the last few weeks.
- Life seems to be getting back to normal now in Cleveland but please pray for good health and safe travels.

Ambassadors

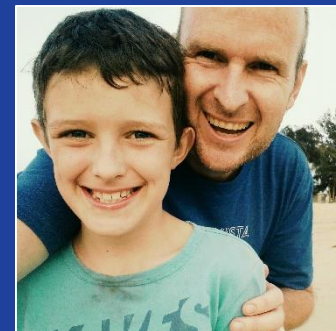

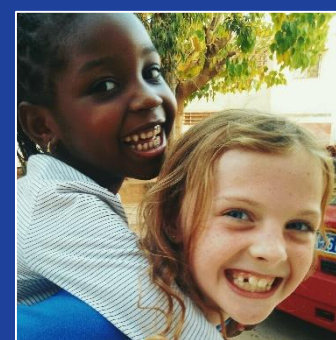

This past Saturday we were able to host our 2nd meeting for those involved in football ministry here in Senegal. It was really encouraging to hear stories and testimonies of what God is doing in and through the various projects. On the next page you can read more about this and also about some of our plans for the future.

Robert: 00221 774114563.

Kyla: 00221 774114541.

One of the things that God has put on our hearts is a desire to invest in Christian coaches and it was really encouraging to get together this past Saturday with others who are involved in football ministry in Senegal. There are open doors to share the gospel here and yet there are many challenges to face as well.

Future

These meetings have been really encouraging, but we feel it is only the start of the journey. For a long time Robert has had the idea of starting a **Training Centre for Christian coaches** and we feel the timing is right to move forward with this. Last year we shared about our partnership with **ITES Bible College** in Thies and we believe that this is the best place to host the Training Centre. Working in partnership with the college makes sense for various reasons but we would appreciate your prayers as we begin to look more seriously at what this could look like and the implications for us as a family.

We have also been praying that God would provide us with a team to help us with the work here. As we begin to look towards this idea of a Training Centre, we would really ask that you **pray with us that God would send more workers!**

After the summer we hope to have more clarity on the way forward and next steps for this.

Thanks so much for your prayers, encouragement and support!
