The past year has brought along many challenges and we have really missed being able to meet with the children each week at C.L.I.C.K as they are such a vital part of our church family.

We tried to keep in contact with the children by delivering packs including daily devotions, activity books etc. We also held a zoom quiz for the children which was great fun and enjoyed by all.

Our children's day was very different last year but it was lovely that the children were able to take part in leading the service in prayer, bible readings, virtual singing and dramas and again virtual singing at our Christmas service. I'm sure everyone would agree they done a fantastic job.

Although the past year has been very challenging being able to minister to our children in church it is important that we remember that God goes with us and ahead of us as we set out on this ongoing journey. He will be with us in the refinement of our programming over the next few months and we can't wait to be able to return to our normal weekly programme soon.
