

## **FELLOWSHIP GROUPS**

In our church, eight Fellowship Groups meet regularly for bible study and prayer. Groups vary in size and how often they meet but generally they meet once or twice a month. When the first period of lockdown began, we were using the PCI course "Inside Out" which encouraged us to look at how we welcome others into our church, loving differences in individuals from home, different cultures, or countries or with different capabilities. This has challenged us to re-examine how we do things, and, hopefully, to put the lessons learned into practice within our church. Unfortunately, the coronavirus restrictions meant that it has no longer been possible for groups to meet in homes. However, at least one group have been meeting through "Zoom" during the last few months. What we plan to do in the future will depend on the extent to which restrictions are eased from next autumn and the guidance given by PCI concerning what is permissible regarding church meetings.
