

League of Church Loyalty

When I prepared the report for 2019 I didn't know then that the report would never be published or that the next year would be so badly disrupted by a pandemic!

The purpose of the League of Church Loyalty is to encourage boys and girls to attend church each week and to have a card stamped to show their attendance. This was rewarded when prizegiving took place in the main hall on Sunday 8th March 2020, this being the last thing to happen with League of Church Loyalty before the first lockdown!

The boys and girls miss church and it has been good to know that they have been watching the services online with their families.

Regarding the future, I look forward to the day when this work can resume in some form.

Please continue to encourage the children of our church to attend worship with the prayer that in doing so they will continue to hear about Jesus and come to trust Him as Saviour and Lord following in His ways all their lives.

Gareth Greer.
