

## PRESBYTERIAN WOMEN

Due to the corona virus pandemic, we were unable to meet together for much of 2020 - 2021. At the beginning of the year: Mrs Karen Hamilton was our guest speaker. Karen represents the Open Doors missionary society. Open Doors seeks to support persecuted Christians worldwide. It was good to hear that in spite of all the persecution God's church continues to grow. We also welcomed Mrs Janice Barr who updated us on the work of Charlene's project in Uganda. Good progress has been made. Eight schools have been built and their vision for the future is to build a secondary school. Mrs Shirley Moorhead also shared a very interesting reflection on Joseph's coat. It has been a difficult time for many of our members and we look forward to being able to meet together and enjoy fellowship when we can do so safely.

We encourage all ladies in our congregation - no age restrictions - everyone welcome - to join with us when we are able to meet again. Our motto "Living for Jesus" and our mission statement "Presbyterian Women encourages women to become disciples of Christ" is at the heart of what we do. It would be great to see you.

Thanks to all who pray for us and support us in so many ways.
